

Veritas Christi Hybrid Academy 23-24

Veritas Christi Hybrid Academy at Latham Park is a Middle School and High School that offers excellence in classical education for the Rockford, Illinois area. We are a community of learners, with two days of in-class, Socratic-style instruction, and three days of at-home assignments under parental supervision. We help cultivate students' gifts so they can effectively build God's kingdom. Students practice setting and achieving goals, critical thinking, exploring scientific and literary concepts, teamwork, putting their faith into action, and meaningful dialog with peers and adults. Students study history and literature with an eye toward developing their place in history, being an agent for positive change, taking initiative, and leading with effective and charitable influence. Come be part of what God's doing as a student, teacher, or 501(c)(3) donor!
