

Veritas Christi Hybrid Academy ²⁶⁻²⁷

Veritas Christi Hybrid Academy at Latham Park is a middle and high school offering excellence in classical education in Rockford, Illinois. We are a community of learners, with two days of in-class, Socratic-style instruction, and three days of at-home assignments under parental supervision. We help cultivate students' gifts so they can effectively build God's kingdom. Students practice setting and achieving goals, critical thinking, exploring scientific and literary concepts, teamwork, putting their faith into action, and meaningful dialogue with peers and adults. Students study history and literature to develop their place in history, being agents for positive change, taking initiative, and leading with effective and charitable influence. Come be part of what God's doing as a student, teacher, or 501(c)(3) donor!
